6. If you change your plan or have a break in your subscription for SMARTY Large Plans at any time from your purchase of the Eligible Plan, you will no longer be eligible for this Promotion and will only receive the Supercharge Data for the months before this change break. If you do not set up your account to auto-renew with a Large Plan for the months following purchase of your Eligible Plan (or fail to manually renew your account with a Large Plan every month within 12 hours of your current plan's end date) you will not receive the Supercharge Data for the next month or any subsequent month.

7. To set up your account to auto-renew, log-on to your SMARTY Dashboard. You can then update your payment settings by selecting the Auto-renew option for Large Plans.

Supercharge Data:

8. Supercharge Data will be applied automatically and will expire on the date the relevant Large Plan expires ("**Monthly Expiry Date**") or on the date it is used up, if earlier.

9. You will always be deemed to use Standard Data before Supercharge Data. Any unused Supercharge Data is not transferrable and will not be available for use in any subsequent month. Supercharge Data is not eligible for any unused data discount.

10. Discounts for unused Standard Data are not affected by the Promotion. Any discount for unused Standard Data will be calculated and applied to your subsequent billing month in accordance with our usual terms of service.

11. Except for discounts for unused Standard Data (described in paragraph 10 above), the Promotion cannot be used in conjunction with any other SMARTY promotional offers or discounts.
